

Atlanta Perimeter Recycling Day

October 23, 2010

Electronics Recycling Services will be here with a truck to accept a wide range of goods including computer and information technology equipment, scientific, laboratory and medical instruments, and cabling. Please see our list below.

Items that may be dropped off but are not limited to:

- LCD Monitors
- CRT Monitors
- Computers / Laptops
- Scanner products
- Printers
- Digital Cameras
- Dry-Sealed Rechargeable Batteries
- Phone Systems
- POS equipment
- Electronic Components
- Uninterruptible Power Supplies
- Servers / Switches
- CD Rom/DVD/CDRW
- PDA/Handheld devices
- Cell Phones
- Cabling
- Media
- DVR/VCR
- Electronic devices
- Medical Devices
- Industrial switching

Items we do not take are kitchen appliances and TV's (we would rather not take TV's, however, we will as long as it is part of a mixed load and the charge is \$20 for the TV's unless it is a flat panel TV then there is no charge.
