*Each day will start at 9AM and end at 4PM at the Dunwoody Marta Station. Students will need to bring a small backpack, a sack lunch, a small notepad, pencil, and a refillable water bottle. Students have the option of bringing money to purchase lunch on days 2, 3, and 5.*

### Day 1

#### Georgia Dome Tour and Georgia Aquarium

The campers will start the day with a tour of The Georgia Dome, the largest cable-supported domed stadium in the world. The guided tour includes stops at the observatory deck, suites, press box, locker rooms, and field. Next, we will plunge into a one-of-a-kind experience with the world's largest collection of aquatic animals and over 8 million gallons of water. The Georgia Aquarium's five unique galleries house hundreds of species including whale sharks, beluga whales, otters and many more. Following our Aquarium visit, instructors and campers will gather in Centennial Olympic Park for physical activities.

### Day 2

#### The State Capitol, The King Center, and The Varsity

The campers will visit the working center of Georgia's state government - The Georgia State Capitol. The tour will give the campers a first hand view of the most important government building in the state, as well as an overview of Georgia's history. Then, we will take a look back to the days of the Civil Rights Movement at The King Center, established in 1968 by Coretta Scott King. Here, we will observe the official, living memorial dedicated to the advancement of the legacy of Dr. Martin Luther King, Jr. Next, we will ride the Marta train to the Varsity for an authentic Atlanta lunch. After lunch we will work out some energy in Centennial Olympic Park with some interactive games.

"Will loved jumping on Marta each morning to get to some of his favorite destinations, including the CNN Center and Zoo Atlanta. And he now thinks The Varsity is the best restaurant in Atlanta."
