

## **Summer Tutoring in Math**

Rocket Science Tutoring is offering Summer Programs in Math where all the standards from the student's previous year are reviewed, any deficiencies are corrected, and some of the standards from the upcoming year are previewed. These Summer Programs in Math are available for Elementary School (grades 4 and 5), Middle School, and High School.

For Elementary School and Middle School, the Program lasts 10 hours, and will meet for an hour at a time, twice a week for 5 weeks. The cost is \$250 for group tutoring (5 student max per group), and \$400 for individual tutoring. For High School, the Program lasts 16 hours, and will meet for two hours at a time, once a week, for 8 weeks. The cost is \$400 for group tutoring (5 student max per group), and \$650 for individual tutoring. The Reviews will be conducted at our location but could meet at your house for an extra fee.

## **Other Services**

We also offer individual tutoring in Math, all grades and levels, and Physics. We also offer Test Preparation for the SAT, ACT, and other tests.

## **About Us**

All the Summer Programs are offered by Ben Torres. He has a Masters from M.I.T. (Massachusetts Institute of Technology) and 11 years of experience teaching and tutoring math and physics. He taught with DeKalb County for two years before opening his tutoring business in 2010. He lives in the community and his daughter attends Henderson Mill Elementary School.

## **Testimonials**

*"My son worked with Mr. Torres during 8th grade and throughout the summer. After the first tutoring session, I saw a huge burst of confidence in my son. Mr. Torres guided him through his work but also questioned him as to how/why he came up with answers. He made my child think and helped it make sense. My son's grades went up and he did very well on the CRCT. I totally appreciate the individual approach that Mr. Torres gave my son. I would highly recommend him. He is a fantastic tutor."*

**- Ms. Guerino, Henderson Middle School and Lakeside High School**

*"My son's grade in math went up two letters because of the patient and guiding hand and direction of Mr. Torres at Rocket Science Tutoring. He is now more confident and will likely elevate his performance in the upcoming year"*

**- Ms. Wheeler, Chamblee Charter High School**
